THE COLLEGE OATH

"We will never bring dishonor to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us.

IT IS NOT EARLY

Several College students have remarked that members of the Homecoming committee are beginning work on their plans early this spring. It must be remembered that the smooth-running celebration last year, with its colorful gaiety, did not just happen. Every minute of it was carefully planned in advance. Of course it is early in the year to plan for the fall activity but many ideas and plans can be made in idle moments during summer vacation. Details can be carefully thought out and perfected. Ideas can be interchanged and improved.

In order to plan comprehensively, much time and thought must be given by student and faculty members of the committee.

After all, Homecoming is much more than just another football game. It is the returning of the alumni to their Alma Mater. Plans cannot be started too early if careful planning and attention to detail can make their visit more pleasant.

THIS WEEK END

What? Stay in Maryville over the week end?

That comment seems to be the attitude of too many students. They do not look forward to spending a week end in Maryville. So, when the four o'clock bell rings on Friday, many of them dash out the door, grab their suitcases, and hurry toward the bus station.

These "snitcase students" are the object of much criticism. When young people come to college, they are supposed to enter into the spirit of things, on week ends as well as during the school week.

Yet they complain that there is nothing to do on week ends. College students are old enough to provide their own fun. What these students need is to get together and plan campus entertainment for Friday and Saturday nights.

A suggestion is to have Play Nights on Saturday as well as during the week.

Students probably have many ideas for providing week end College fun. Interest and cooperation can go far in making the College a place to spend lively, enjoyable week ends.

WHAT'S DONE IS DONE

With this issue of the Northwest Missourian, a year of activity comes to an end for the staff. It has been a long highway from September, 1947, to the present. Throughout a busy year we attempted to give to the students, faculty, and alumni a paper of which they could be proud. By the recent honor which it gained we have been justified in our belief that it is one in which pride can be vested.

With deep sincerity I wish to express my appreciation to a cooperative staff, an efficient office force, and especially to a capable and considerate adviser. When it was necessary that I be absent from my desk she brought me up to date upon my return and guided me throughout the year on problems which always have to be met by persons in responsible positions.

Not only to the above am I grateful, but also to the Student Senate, the Administration, and the whole student body.

(Signed) Paul Gates.

May Commencement Addresses Will Be Given by Faculty

Annual Modern Dance Event Is Presented

(Continued from Page One)
in Music Hall, Kansas City, under the direction of Dr. Juana de Laban last April.

Cocktail Suite was the title of the last number on the program. Zuke's "Old Fashioned Polka," "Champagne Waltz" by Conrad, Oakland, and Drake, and "Manhattan" by Alter composed this portion of the program. Choreography for "Champagne Waltz" was by Sue Philip.

Members of the Dance Club are Elaine Anderson, Mary Booth, Marjorie Burton, Betty Collins, Vernelle Cox, Margaret Elliott, Juanita Ford, Lina Foster, Kathryn Krause, Dorothy June Masters, Beverly McCowen, Patricia McIntyre, Meredee Myers, Mary Lou Neville, Hazel Oliver, Sue Philip, Thelma Robinson, Patricia Smith, Lavonne Wescott, and Anna Sue Wormsley.

Accompanists are Vernelle Cox, Virginia Akers, and Janice Rhoades. Judith Thom and Janet Dickey of the music department of the College were accompanists for the number "Impertinence."

Robert Gee and Zea Grissinger had charge of the lighting.

Mrs. Lina Foster and Mrs. Chloe Brown made the costumes, assisted by Mrs. Lon Wilson, Mrs. Blanche Lawler, and Nan George.

Dr. Dow Addresses Phi Kappa Phi "Citizens-Scholars" was the subject of Dr. Blanche Dow, author, lecturer, and chairman of the foreign language department of the College, when she spoke at Kansas State College in Manhattan last Friday evening. Dr. Dow addressed the scholars honor fraternity of Kansas State College, Phi Kappa Phi, at the annual formal banquet at which new members were welcomed. The fraternity has about three hundred members.

What Your Senate Does

OFFICERS

President—Richard C. Thomas
Vice-President—Richard Appleman
Secretary—Marilyn Partridge
Treasurer—Helen Marie Davis
Parliamentarian—Mary Garrett
Sponsors—Mr. R. T. Wright, Mr. John Taylor

May 11, 1948

The meeting was called to order by the president. Roll was called and the minutes of the last meeting were read and approved.

The first order of business was the swearing in of the new officers who then took over their duties. President—Homer Long; Vice President—Fred Davis.

Senator Doran reported that Student Senate has about \$200 in the treasury. It was moved and seconded that a committee be appointed to report next week on suggestions for the use of this money. The motion carried and those appointed as a committee were M. Doran, K. Jones, and M. Garrett.

Eddie Reese submitted his resignation as chairman of the social committee. The appointment of a new chairman was tabled until the next meeting.

The Student Christian Association requested permission to use the Den on the second and fourth Thursday nights of each month of 1948-49. Permission was granted.

It was moved and seconded that the first Senate meeting of 1948-49 be the deadline for organizations filling requests to use the Den for their regular meetings during that school year, and that priority will be given the requests in the order they are received. Motion carried.

The presidents of all organizations and to put a notice of this regulation in the Northwest Missourian. Alpha Phi Omega requested concession rights at the first football game next fall. It was moved and seconded that this request be placed on a priority list for consideration next fall. Motion carried.

Sigma Tau Gamma requested concession rights at the M. I. A. A. track meet on May 15. Permission granted.

Dr. Harr requested permission for a Kappa Delta Pi meeting in the Den on Thursday night, May 20. Permission granted.

Joyce Heck was elected chairman of the 1948 Homecoming. The motion was made and seconded that the meeting be adjourned. Motion carried. The meeting adjourned.

Marilyn Partridge Secretary.

They're Talking About...

(You lucky people, I can't get away from it, I have to live with myself, so oh, reservoir, or whatever you French call it.)

Foreign Situation Is Main Issue, Say Assembly Speakers

That the international question is the major issue which will be largely responsible for the next term presidential nominations was the statement made by Dr. John Harr and Sterling Surrey to the students at the assembly April 28. The topic of their discussion was concerned with qualifications of presidential candidates.

Dr. Harr and Mr. Surrey included their guests, Mr. and Mrs. America, in their discussion. The former expressed the idea that people are more concerned with the international relations than domestic problems. Although the nominees are not chosen by the people, it is the people who vote at the election.

"The American people have grown a great deal," he declared, "through disillusioning experiences of the World Wars I and II."

Mr. Surrey declared that the political race would be between the two major parties.

Both speakers insisted that the laboring people will influence more votes, but that management will swing the most power.

A review of each candidate gave the impression that Stassen is a vascillator, a man who would agree with any group to obtain votes.

"President Truman must retain or gain confidence of the people if he is to win," stated Mr. Surrey.

Taft is a money-saver but is charged by Dr. Harr as being "a 19th century American who happened to carry over to the 20th century."

Dewey is recognized as an efficient administrator with experience, according to the speakers. Vandenberg believes honestly in the U. N. and the Marshall Plan. Warren is hailed as being well liked by both major parties.

Experts Will Take Part in Workshop

(Continued from Page One)
Dr. J. W. Jones will speak on Education for the Intellectually Superior.

Miss Audrey Hicks will supervise Education for the Hard of Hearing. Miss Hicks is acoustic supervisor at the Central Institute in St. Louis. The Place of Music in Education of Exceptional Children will be discussed by Miss Janet Dickey of the College music department. Mr. Truman L. Ingle, superintendent of Missouri School for the Deaf at Fulton will speak on the Missouri School for the Deaf.

Partially Sighted Studied Education for the Partially Sighted will be under the guidance of Miss Helen Hon, sight saving instructor in St. Louis public schools. Mr. J. M. Porterfield, physical science instructor at the College, will lecture on the Place of Science in the Education of Exceptional Children, and Mr. Robert H. Thompson, superintendent of Missouri School for the Blind, St. Louis, will talk on the Missouri School for the Blind. The Missouri Society for Crippled Children will be the topic of Miss Alberta Chase, president of the Missouri Society for Crippled Children.

Education in Recreation will be led by Miss Virginia L. Gibson, special physical education instructor, Kansas City. Lectures will be given by Mr. Carl Fox, state supervisor of health and physical education, and Mr. Everett Brown, director of field service at the College. Their subjects will be Cooperation of Teacher and Physician and The Use of Audio-Visual Aids in the Education of Exceptional Children, respectively. A Physical Education Program for All Children will be the topic of Miss Wincel Ann Carruth, chairman of physical education for women at the College.

Reading Specialist Takes Part Miss Helen Joy Boll, teacher at Woodland School, Kansas City, will have Education of the Lower Vitality Group and the lecture on Teaching of Reading to Retarded Children will have as its leader Miss Dora B. Smith, reading specialist at the College.

Miss Nelle Cummins, general overseer, will lead the discussion of the Education of the Orthopedically Handicapped. Dean Cunningham will lecture on The Implications of Education for Exceptional Children to Teacher Education. The Implications of Education for Exceptional Children to the School will be the topic of Miss Chloe E. Millikan, of the early childhood education department of Horace Mann. Cerebral Palsy and Vocational Rehabilitation will be led by Dr. R. E. Brunner, state medical consultant, Kansas City, and Mr. Doyle Best, regional director, vocational rehabilitation at Kansas City.

Any person interested should see or write Dr. Bishop to arrange to attend the workshop.

H. M. Seniors Will Be Received Dr. and Mrs. J. W. Jones will have a reception for Horace Mann seniors this afternoon, May 19, from 3 to 4 at their home. This is an annual event for the students of Horace Mann.

Attend Personnel Conference Mrs. H. Sheetz and Mr. and Mrs. Lon Wilson attended a state personnel conference in Columbia, May 7-8. The meeting was held on the Missouri University Campus.

American railroads carry a billion passenger miles and 2,500,000,000 tons of freight each year.

The Stroller

As one milk bottle said to the other, "Let's go curdle in the corner." Since spring is in the air there has been an increase in the "curdling" at Residence Hall, but since the "rains came" the styles of some of the "out" standing lovers have been cramped.

Mack Miller, new Phi Sig prexie and, shall we say, Casanova, has really been getting around lately. Seems he's been giving several gals a "twirl." Great life.

And then there's Mr. Garrett whose sympathy has become simply overwhelming lately. Why? Well, a pupil came smiling, yes, smiling, out of Room 224 the other day half-way muttering to himself (or herself)—however—the Stroller thinks it was a "he". "I believe I did, yes, I believe I did." When asked what "he did" he replied, "I actually passed a hygiene test—actually passed it!" Yes, even the professors seem to have a touch of spring fever.

Three slightly deaf old maids were motor-ing through Kansas in an old noisy car and hearing was difficult. As they neared a city one asked, "Is this Wemby?"

"No," replied the second, "this is Thursday."

"So am I," put in the third. "Let's stop and have one."

Spring formal has been going full swing lately. The Phi Sig "Sunset" dance was a huge success according to all reports. Congrats to Dick Leet for being voted "Phi Sig of the year."

Ship ahoy, mates! That was the familiar chant heard last Saturday night at the local C. C. The occasion? Why, the Alpha Sig "Spring Cruise," of course. Fun for everyone? Natch!

Overheard from a coed, obviously a home economics freshman and a naive one at that, while visiting Veteran's Village:

"I'd think they'd have put double deck beds in these houses. Just think how much space it would have saved."

The Stroller just happened by the Library the other night and decided to enter into said place of wisdom to read a local newspaper. To his great amazement he found the reading room virtually inhabited by students who seemed to be studying. Stroller wonders whether they were really trying to gain knowledge or whether they had copies of "True Confessions," "Esquire," etc., inside those big thick notebooks. Guess time will tell—exam time, that is! And incidentally, orchids to Mr. Price, our new librarian, for his honest endeavors in making the library "a better place to study in."

"I heard that the professors are trying to stop necking."

"Zatso? First thing you know, they'll be trying to make the students stop too."

Music Department Notes
Hot stuff—Ginny Akers and Rex Moyer

And then, of course, there are other couples who are still "undecided!" Wish they'd make up their minds! !
Judge (to couple): "Caught on a park bench, eh? What are your names?"
He: "Ben Petten."
She: "Ann Howe."
Housewife (to garbage man): "Am I too late for the garbage?"
Garbage Man: "No, ma'am, jump right in."

If you think you are seeing double as you cross the campus, relax. It's only those couples wearing matching T-shirts: Vee Oyerly-Clyde Bowen, Dorothy Harshbarger-Brad Moore, Mary Lou Rockwell—Marlin Carey, Maxine McDermott—Marvin Weed, and Tiny Null—Shirley Collier. When the sox match, too; that is really sharp!

Orchid of the week, Dick Thomas gets it just for answering the telephone at Residence Hall. All he said was "Residence Hall. Who in the Hall do you want?"

Freddy Davis has the edge on the freckle crop of the year. The Stroller had to look twice to see him.

Bob Mann and Gid Jones tumbled off the ledge in front of Residence Hall. Must have been struck by the beauty.

Imma Jensen set a record of some sort recently when she talked to Dick Appleman 25 minutes on the phone. Manley Thomson is convinced she did it because it was raining and he wanted to call a taxi!

Bill Baker: "How did you find the women at the party?"
Jack Miller: "I just opened the door marked 'women' and there they were."

And so it goes! Another school year is about to draw to a close and the Stroller wants to take this opportunity to bid all the seniors goodbye and wish them all the best of luck.
Be secin' ya in September. Happy vacation! ! !

Bearcats Take Third Place in MIAA Meet

Four Field Events Are Won Plus One Dash to Give Host Five Firsts.

The Cape Girardeau Indians won the final event, the mile relay, to nose-out the Rolla Miners 59 1/2 to 59 for first place honors in the annual MIAA track and field meet held on the STC field Saturday.

The Miners, winner of the conference indoor meet early this spring, held a 2 1/2-point lead going into the final event.

Maryville Is Third The Maryville Bearcats, winning four first places in the seven field events, placed third with a total of 45 points. The other schools finished in the following order: Springfield, 20 points; Kirksville, 27 1/2 points, and Warrensburg, 20 points.

The Cape Girardeau proved their strength in the track events. The Southeast State team took eight first places, including one in the field events. Rolla, taking only three firsts, kept in the running with points for second and third places.

Rolla Boy-High Pointer Individual scoring honors went to William Kirk of Rolla, who won the broad jump and placed second in the 100 and 220-yard dashes for 13 points.

Runners-up were Lee Reid and Ralph Corse, both of Cape Girardeau, who scored 12 1/2 points each. Reid won the 100 and 220-yard dash and anchored both winning relay teams. Corse won the mile and half-mile runs and ran on both winning relay teams.

Sets a New Record In Saturday morning's preliminaries, Reid stepped off the 220-yard race in 21.4 seconds, breaking the previous record of 21.7 for the distance set by Bass of Springfield in 1939.

Alvin Wormsley, Bearcat sophomore, gave Maryville an early lead when he won both the shot put and discus throw in the morning. Wormsley put the shot 45 ft., 8 1/2 in., the best mark of his career, and hurled the discus 129 ft., 5 in.

Paul Butcherus won an unexpected first place for the Bearcats when he heaved the javelin 169 ft., 7 in., during the morning events.

Dick Schoneman, Bearcat freshman, won the high jump with a leap of 6 feet, 1 1/4 inches. The tall Bearcat, in attempting to break the conference record of 6 ft., 4 1/2 in., knocked the crossbar off with an elbow at 6 ft., 5 in.

Zuchowski Wins 100 Pat Zuchowski garnered Maryville's only first in track events, winning the 100-yard dash in 9.9 seconds, his fastest time of the year. Don Neil, who has been consistently faster than Zuchowski all year, was slowed down in the finals after suffering a side injury in the preliminaries.

Phil Carter, who has improved considerably in the past few weeks, won third places in the 100 and 220-yard dashes. Neil finished fourth in the 220 and fifth in the 100.

Second in Relay Race The Maryville half-mile relay team—Zuchowski, Frank Boyer, Carter and Neil—ran a strong race finishing close on the heels of winning Cape Girardeau. Neil, the anchor man, had a five-yard lead but the speedy Reid of Cape Girardeau overtook him on the final curve to win going away.

The meet was held under ideal conditions. The sun was beaming down and the track was fast. A steady wind was behind the runners in the morning but had died down by afternoon.

Each event went off as scheduled, thanks to the efforts of Bearcat Coach Ryland Milner and Athletic Director E. A. ("Lefty") Davis, the STC "M" Club and crew of Maryville high school athletes who shifted the hurdles for those events.

In the center of the field sat the "Queens," six attractive STC students representing each of the conference schools. When an athlete won a medal for one of the four first places, his queen presented it to him.

The summary: Shot put—1. Wormsley, Maryville; 2. Bangert, Cape Girardeau; 3. Book, Rolla; 4. Davis, Springfield; 5. Daly, Maryville. Distance, 45 ft., 8 1/2 in. Javelin—1. Butcherus, Maryville; 2. Buxton, Warrensburg; 3. Nichols, Cape Girardeau; 4. Collier, Rolla; 5. Guiney, Rolla. Distance, 169 ft., 7 in.

Discus—1. Wormsley, Maryville; 2. Bangert, Cape Girardeau; 3. Thrasher, Kirksville; 4. Roodhouse, Kirksville; 5. Davis, Springfield. Distance, 129 ft., 5 in.

100-yard dash—1. Zuchowski, Maryville; 2. Kirk, Rolla; 3. Carter, Maryville; 4. Gardner, Warrensburg; 5. Neil, Maryville. Time, :9.9.

220-yard dash—1. Reid, Cape Girardeau; 2. Kirk, Rolla; 3. Carter, Maryville; 4. Neal, Maryville; 5. Gardner, Warrensburg. Time, :21.8. (Reid of Cape Girardeau set a new record in this event, 21.4 seconds during the preliminaries.)

400-yard dash—1. Reid, Cape Girardeau; 2. Bays, Springfield; 3. Tott, Rolla; 4. Turner, Rolla; 5. James, Maryville. Time, :50.2.

800-yard run—1. Ralph Corse, Cape Girardeau; 2. Turner, Rolla; 3. Rea, Springfield; 4. Waters, Maryville; 5. Allen, Cape Girardeau. Time,

NOSED OUT in the stretch, the Maryville Teachers college half-mile relay team took second in the MIAA 880 yard event Saturday. Members of the team are, left to right, Frank Boyer, Phil Carter, Pat Zuchowski and Don Neil.

Random Shots . . .

The inter-squad football game didn't prove too much, except that it was very bitterly contested and the younger men showed that they are really eager to make the team next fall. Wilbur Pollard showed more hustle than anyone else on the field that day and promises to make a fine defensive man this coming season.

Al Wormsley and Paul Butcherus have accomplished an outstanding feat this past school year in that they both have lettered in three major sports, football, basketball, and track. Pete Younger may match their efforts if he has enough points to letter in track. Pete has lettered in both football and basketball this year. These three men are juniors and have two more years of eligibility. Ken Jones, freshman, is another man who may do the hat trick, and in his case it would be just that much more outstanding.

Someone mentioned that a new school bus had been ordered to transport Bearcat athletic teams. The one in use at the present time (The Green Hornet) has been cussed and discussed many a time, but to our knowledge, it has never failed to complete a trip and Bearcat teams have always been on time when playing away from home.

Vernon Weidmaier and Paul Gates have signed contracts to be coaches at Stuart, Iowa, for 1948 and 1949 school year. They have what seems to be an ideal set-up. Weidmaier will coach the line in football and be head basketball and baseball coach. Gates will coach the backfield in football and be head girls' basketball and track coach. This reminds us a bit of the days when Wilbur Stalcup and Coach Milner worked so successfully together here at the College.

The Bearcat track team ended a surprisingly successful season here last Saturday in the conference meet. Zuchowski, a seemingly average runner in a football suit, turned out to be the surprise of the

season as he showed his heels to many of his opponents in the cinders. Norman James, Don Neil, Paul Waters, Al Wormsley, and Dick Appleman were all consistent winners and were the backbone of the team all during the year.

Senior athletes graduating this spring and summer who were enrolled in school here before World War II are as follows: Howard Glavin, Wallace Hicks, Ralph Kurtz, Harold Johnson, Rex Adams, Bruce Peters, Stanley Totoraitis, Vernon Weidmaier, Paul Gates, Gene French, Ivan Schottle, and John Lanham. It seems like a long time.

If you will watch the lineup of the Brooklyn Dodgers, you will see that a man named Ward is playing first base for them regularly. He is Preston Ward, the tall center who played basketball with the Springfield Bears during the '45 and '46 season and who gave the Bearcats no end of trouble. He is now giving the big league pitchers plenty of trouble and is getting paid plenty for being able to do it.

A twenty-three year old student in one of the Eastern States was killed last week when a javelin, thrown by one of his buddies, pierced his neck. This shows how dangerous the weight events are in track. The Missouri High School Athletic Association barred the javelin throw in this state a few years back. Watch where you walk and what you do whenever you attend a track meet, whether you are competitor or spectator!

John Daly, who injured his knee during pre-season practice last fall, has been working out hard on the cinder paths nightly. If effort does any good John is sure to make his work pay off. Last week he dashed around the oval in competition with some quarter milers and surprisingly finished in the middle of the pack without losing stride. This boy could do a lot of good for Coach Milner's gridiron forces next fall.

Bearcats Defeat Graceland Track Squad 87 1/2 to 48 1/2

Maryville Bearcats won 13 first places of 16 events Thursday afternoon on the College field to defeat Graceland College of Lamoni, Ia., 87 1/2 to 48 1/2 in a dual track and field meet.

The Bearcat relay teams highlighted the meet. The half-mile team—Pat Zuchowski, P. C. Boyer, Phil Carter and Don Neil—set up their best time of the season, 1:33, to win by 12 yards.

The mile relay team also stepped off their event in the fastest time this season, 3:34.4. Members of the mile team—Marion Freeman, Ken Jones, Paul Waters and Norman James—finished approximately 25 yards in front of Graceland.

Zuchowski High Pointer The speedy Zuchowski nosed out weight-throwing Alvin Wormsley for individual scoring honors by one-fourth of a point. Zuchowski won the broad jump, took second in the 100 and 220-yard dashes and ran on the winning half-mile relay team for a total of 12 1/2 points.

Wormsley won the shot put and discus throw and tied for second in the high jump to total 12 points. Sprinter Don Neil of the Bearcat squad scored 11 1/2 points for third-place honors, winning the 100 and 220-yard dashes and anchoring the half-mile relay team to victory.

Other Bearcat winners were Norman James, 440-yard dash; Paul Waters, 880-yard run; Bill Elliott, 2-mile run; Paul Butcherus, Javelin; Franklin Bollinger, pole vault, and Dick Schoneman, high jump.

Six Weeks' Football Training Is at End

Whites Edge Greens 7-0, Marking Final Practice Session for Spring.

Coach Ryland Milner's "Whites" coked out a 7-0 victory over Assistant Coach Ivan Schottle's "Greens" in an inter-squad football game on the College field to complete the spring football work.

The practice game, played mostly in a drizzle on a soggy field, marked the final six weeks of spring training for the Bearcats 1948 football team.

The Milner team score occurred in the second quarter. End Bob Cobb blocked a Green punt and the White team took the ball on the enemy's 40-yard line. Bill Ward lateraled to Glenn Sherry for a 10-yard gain. Substitute Melvin Coleman, a stocky freshman battering-ram, then picked up 15 yards through the line, advancing the White team to the Green 15-yard line.

Freshman Scores Another lateral, Ward to Sherry, gained nine yards and put the ball on the White six-yard stripe. Harold Chandee plunged to the one yard line and the freshman smasher, Coleman, scooted over for the score on the next play.

Don Hoffman, a fullback, place kicked the extra point for the last score of the game.

The condition of the field and a sloppy ball kept the teams from showing much speed and trickery, a Milner team's must-have.

The teams see-sawed back and forth through the rest of the game, the Whites having a bit the edge. The backfields of the two teams appeared to be evenly matched but the white line had an advantage over the opposing line.

Showing up well in the game were coaches John Hellerich and Max Hochenauer, tackles Don Hartness and Floyd Klack, center Bill Gamble, end Larry Zirbel and backs Pete Younger, Bill Coulter, Bill Ward, Glen Sherry, Coleman and Chandee.

Four Lettermen Not in Game Four backs who sparked the Bearcats last year and will be on hand for the '48 season did not participate in the recent fracas. They are Pat Zuchowski, Marvin James and Alvin Wormsley, all busy on the track team, and Marvin Weed, out with a leg injury.

It appears from here that Coach Milner's big task for next year is finding two ends to step into the big shoes of Stan Totoraitis, all-conference several years, and Howard Glavin, Zirbel, a steady player though a bit small, seems destined for one of the wing-posts with Marvin James, a track man, a probability at the other post.

The boys were out for blood in yesterday's scrimmage. The players had been working together as teams for several weeks, and it was rumored that a few friendly wagers might have been placed as to just which team was the superior—Milner's or Schottle's.

Health Department

Results of the recent examination for tuberculosis have been received by Anna Wormsley R. N., of the College health department. Of the 2,444 tests, all but 53 were negative. Not all of these 53 are tuberculosis suspects, as enlarged hearts and other factors caused them to be classified as positive.

Those having taken the test will soon receive cards or letters containing the results and suggestions for treatment, if needed.

Mr. Colbert Visits Campus Mr. George Colbert visited the campus April 28. He is looking forward to the summer when he expects his three sons and their families to visit him in Maryville.

Alvin Wormsley Emerges Top Point Man in Track

Less than five points separated the three leading Bearcat scorers for the 1948 track season as they went into the outdoor meet last Saturday. Big Alvin Wormsley led the field with 59 1/2 points, garnered in three events—the discus, shot put, and high jump. Next in total points was Pat Zuchowski with 56 3/4. Norman James, strictly a 440 yard man, placed first in his specialty each of the five outdoor meets the Bearcats had previous to the one last Saturday, and added to his relay points this gave him 31 3/4 for the season.

Wormsley had a total of nine firsts to edge Neil for honors in that division. The latter had eight. Zuchowski made most of his points placing second to the speedy Neil, or winning and placing in the broad jump. He had three firsts.

There were 11 Bearcats who totaled 12 or more points for the season. Paul Waters, Dick Appleman, John Daly, and Dick Schoneman exceeded 20 in addition to the four above. Paul Gates, Paul Butcherus, and Mark Christine also topped the 12 mark.

Two Athletes in MIAA Meet Once Afflicted With Infantile Paralysis

Two athletes who suffered infantile paralysis when children have overcome their handicaps and took part in the annual MIAA athletic carnival here Saturday.

Erwin Busiek of Springfield played nearly all day to give Springfield State honors in the tennis matches. He won the tennis singles and then teamed up with a colleague to take the doubles.

A lad representing Maryville Teachers took part in the pole vault event. Franklin Bollinger of Excelsior Springs, although he did not win any points, demonstrated that perseverance can overcome an early handicap. He cleared the pole vault bar at 11 feet but went out at 11 feet and a half.

Bette McKown Is Delta Sig Bette McKown of Fortescue, was formally pledged to the Delta Sigma sorority, Wednesday night, April 27.

'M' Club Picnic Completes Year's Activity of Club

Members of the M Club of the College neared completion of their year of activity this past week when they added the athletic department in various tasks connected with the M. I. A. A. Outdoor Track and Field Meet which was conducted last Saturday here on the campus. President Bill Gamble has announced that there is only one activity to be completed, and that is the annual picnic. Plans for that have been made, and the end of this week or first of next has been set as picnic evening for the members, plus a few invited guests.

During the year the club was successful in obtaining necessary advertising to publish athletic programs for all the major events, including a high school district track meet. The latter program was financed by the club.

Queens for the outdoor meet last Saturday were selected by the members at a recent meeting. They were Betty Collins, Joann Caldwell, Joan Miller, Joan Peter, Marilyn House, and Pat McIntyre. The girls wore the colors of the schools which they represented and handed the various medals to the athletes who had earned them through their efforts on the field. Needless to say some girls were busier than others.

Plans for the return to colored programs have been made by the club. Contacts with the advertising company in Chicago which handles the colored paper on which programs are based have been made. With the homecoming preparation already under full control of a central committee, the 'M' Club is set to do their bit to make it better than the past year's.

Springfield Bears Win MIAA Golf Title

Springfield College Bears won the M. I. A. A. golf match held at the Maryville country club course Saturday in connection with the track and tennis meet.

The Springfield team of Lore, Agee, Jackson and Everitt covered the thirty-six holes with a score of 628. Rolla Miners placed second with 660 strokes and the Maryville Bearcats were third with a score of 674. Cape Girardeau had a score of 686 and Warrensburg had a score of 747. Kirksville was not entered in the golf tourney.

Medalists honors were won by Anthony Pantaleo of Rolla who covered the thirty-six holes with 154 strokes. Agee and Jackson, both of Springfield had scores of 155 and Lore, also of Springfield had a score of 156.

Kite Tournament Will Be Held May 22 at STC

The second annual kite tournament will be held at 2 o'clock the afternoon of May 22 on the college campus. Anyone from 5 to 55 is invited to enter. The tournament is sponsored by the intermural recreation department of the college of which Don Peterson is the chairman.

Prizes will be given for each of the four events. The events include: Strongest pulling kite under six feet in length and breadth; most artistic kite; the best replica of bird, animal or insect kite, and the best star kite.

Registration should be made with school principals. In case of rain the tournament will be held May 29 the same time and place.

Bearcat Quarter Miler

Norman James, fleet track man from Albany, has just completed his first season of competition for the Bearcats. James ran the quarter mile this season, his first attempt at the distance, and was defeated just once, that in the outdoor meet last Saturday.

Exhibition Tennis

Two women, considered as being the finest young tennis players in this part of the country, will play an exhibition match this afternoon at 4 p. m. on the College courts. Misses Joan Symon and Rosalie Meluney, who are students at Central School, St. Joseph, played in the National Tennis Tournament last year. Jessie Jutten, who is sponsoring the exhibition, invites everyone to see it.

Parlams Entertain Staff Mr. and Mrs. John Parlham rewarded the members of the 1947-48 Tower staff for their long and faithful hours of work on the yearbook, with a picnic in the College Park, Monday evening, May 17.

E. A. Davis, chairman physical education department wishes to express his thanks to students who aided in handling the recent M. meet.
